Salary

\$18.68 - \$29.88 Hourly
 \$38,854 - \$62,150 Annually
 This position is a Pay Band ED

Why does the job exist?

This position ensures all safety aspects of the intrastate transport of natural gas and hazardous liquids by pipeline and pipeline facilities, with a goal of ultimate safety responsibility for both interstate and intrastate facilities.

How does it get done?

- Conducting onsite inspections of master meter gas distribution systems to determine compliance with state and federal pipeline safety regulations;
- Participating in large operator gas and hazardous liquid inspections;
- Preparing written reports and letters for inspections to substantiate evidence of violation or compliance;
- Maintaining and updating gas pipeline operator database on inspections conducted, including probable violations found and probable violations corrected.

Who are the customers?

Members of the public, agency staff, federal and state government

Ideal Candidate

Incumbent that has six years of experience in conducting root cause investigations, ability to work under high pressure, and have knowledge of engineering principles, safety regulation and sound pipeline design and construction

Minimum Qualification

High School Diploma or equivalent and six (6) years of relevant experience. Substitutions Apply. See Substitution Table below.

Substitution Table

These combinations of education and experience qualify you for the position:

	Education		Experience
1	High School Diploma or Equivalent	AND	6 years of experience
2	Associate's degree	AND	4 years of experience
3	Bachelor's degree	AND	2 years of experience
4	Master's degree or higher	AND	0 years of experience

- Education and years of experience must be related to the purpose of the position.
- If Minimum Qualification requires a specific number of "semester hours" in a field (e.g. 6 semester hours in Accounting), applicants MUST have those semester hours in order to meet the minimum qualifications. No substitutions apply for semester hours.

Employment Requirements

Must possess and maintain a valid New Mexico Driver's License. Business Employment requires successful completion of post offer pre-employment physical. Reference check and Driver's License verification are required and employment is conditional pending results.

Working Conditions

Work is performed in an office setting. Exposure to: Visual/Video Display Terminal (VDT), extensive personal computer and phone usage. Communication with the general public and public agencies on a frequent basis. Ability to lift up to 50 pounds. Occasional statewide and out of state travel maybe required.
