

**NEW MEXICO PUBLIC REGULATION COMMISSION**  
**State Fire Marshal**

The State Fire Marshal serves the New Mexico Public Regulation Commission and its Commissioners reporting directly to the Chief of Staff. This position will manage the operations of the State Fire Marshal's Division. The State Fire Marshal shall administer the provisions of Chapter 59A, Article 52 NMSA 1978. Section 40. Section 59A-52-3 NMSA 1978. The incumbent must have experience in fire inspections, investigations, commercial and residential building codes, chemicals and chemical reactions.

**Minimum qualifications:** Bachelors Degree in any field of study from an accredited college of university and eight (8) years experience in the fire service. Any combination of education from an accredited college or university and/or direct experience in Fire Service totaling twelve (12) years may substitute for the required education to include four (4) years of supervision of staff.

**Salary:** \$44,574.00– \$100,339.20 per year including benefits. Salary based on qualifications and experience. This is a GOVEX “at will” position. The State of NM is an EOE Employer.

**Apply:** Submit letter of interest, résumé, to: [Renes.Kepler@state.nm.us](mailto:Renes.Kepler@state.nm.us) or Rene Kepler, Human Resource Bureau, NMPRC P.O. Box 1269, Santa Fe, NM 87504-1269. Applications must be postmarked by: July 21, 2017
