PUBLIC COMMENT

All members of the public wishing to provide public comment must sign a sign-up sheet prior to the start of the meeting and identify their name and the name of the organization they represent (if any), and the topic or issue on which they desire to comment. The portion of the agenda allocated for public comment at any one open meeting shall be limited to a maximum of 30 minutes for all persons wishing to provide comment. The order of speakers will be based on the order in which speakers sign up, but public officials may be taken out of order. If a speaker is not present at the time he or she is called to provide comment, that speaker shall forfeit their opportunity to speak. **Public comment by an individual or entity shall be limited to no more than three (3) minutes** unless the Commission acts to extend the period. If the number of individuals on the sign-up sheet desiring to provide comment would exceed the allotted 30-minute period, the Chairman may limit individual remarks to a shorter time period. Individuals represented by or representing a common organization or association may be asked to select one individual to act as spokesperson to speak for the group. Individuals who sign up to comment, but either fail to do so or choose to speak for less than their allotted time, may not cede or yield their time to another speaker. Written comments of individuals who cannot be physically present may not be read aloud at the meeting but may be submitted to the Commission.

The subject matter of public comments shall be relevant to matters within the Commission's jurisdiction. Public comment will not be permitted on matters that should be addressed appropriately as the subject of an informal or formal complaint before the Commission or on pending rulemaking proceedings before the Commission once the opportunity for public comment in those proceedings has closed. Public comment by parties to a proceeding or adjudication pending before the Commission will not be permitted where the comment concerns matters at issue in such proceeding. The Chairman shall retain the right to stop any speaker who raises an issue that is not under the Commission's jurisdiction or is subject to the restrictions above. Public comment will be received without Commission comment or response. However, individual Commissioners may at their option seek clarification or additional information from speakers through the Chairman. No speakers will be accommodated after the public comment portion of the agenda has closed. The Chairman retains the right to exercise discretion in the implementation of this policy and may override the above rules in case of emergency or other unforeseen circumstances.

Speakers providing comment shall at all times conduct themselves in accordance with proper decorum. Profane or vulgar language or gestures will not be tolerated. Audience members shall not disrupt an open meeting by speaking without being recognized by the Commission and shall not incite others to do so.
