NEWS RELEASE

Commissioner Lovejoy Issues Statement on Today's Extension of Time for PNM's San Juan Plan

SANTA FE – I appreciate the progress made by the Public Service Company of New Mexico within the short time expected to submit to this commission the documents needed to move forward in this case.

They demonstrated that commitment by submitting additional information that was outlined in the order approved on May 27, 2015.

By extending the timeframe, it assures this Commission that they are working proactively to meet the new extended deadline of August 1, 2015.

Now is not the time to throw out the baby with the bathwater.

We are seeing progress. This case is too important to the citizens of New Mexico, as it will have a far-reaching impact for the next two to three decades.
