The New Mexico State Fire Marshal's Office will issue a replacement permit upon a written request accompanied by a fee of \$20.00. Original fees will not be refunded. If a fireworks vendor wishes to continue to conduct business at that location, then the fireworks vendor shall submit a new application with replacement fee and the type of license or permit requested.

The information provided on and with this form is true and correct to the best of my knowledge and belief. I have read, reviewed and understand the New Mexico laws and rules regarding the safe packaging, handling and sale of fireworks. I agree to fully comply with these laws and rules as a condition of obtaining and operating pursuant to a fireworks license or permit. I understand that the approval of this application depends upon compliance with the provisions of Article 2C of the Fireworks Licensing & Safety Act, NMSA 1978, §§60-2C-1 to 60-2C-11 (1999). In the event that my license or permit is lost or destroyed, I understand that I shall immediately notify the State Fire Marshal's office and not be entitled to a refund of the original application fees, but must submit a new application and pay a \$20.00 replacement fee for the type of license or permit at the location. However, I understand that state law does not permit the acceptance applications during the holiday selling period.
