Re: 2009 FIREWORKS LICENSES/PERMITS & 2010 FIREWORKS APPLICATIONS

Your 2009 Fireworks License/Permit will expire January 31, 2010. An application form is enclosed for a one year fireworks license for the 2010 sales season to be issued starting February 1, 2010. Licenses and permits will be issued within 30 days from the date of receipt of application, however no application will be processed during any holiday selling period in which permissible fireworks may be sold.

Fireworks applications are being sent to vendors in single copy form. If you need to purchase more than one license or permit, please make copies of the fireworks application that you receive and submit a separate application for each license or permit purchased. This office will send you a copy of the approved application with the license or permit purchased. ANY APPLICATION THAT IS INCOMPLETE WILL BE RETURNED TO APPLICANT UNPROCESSED.

Please note that the "sales location" shall be a complete and physical address location. For instance – "P.E.R.A. Building, 1120 Paseo de Peralta, Santa Fe, NM 87501." Post office boxes or incomplete addresses are unacceptable.

Be sure to send your application(s) with the appropriate fee(s) in order to avoid any delays in the processing of your fireworks application(s). Signatures on application must be notarized.

PERSONAL CHECKS WILL NOT BE ACCEPTED. THE STATE FIRE MARSHAL'S OFFICE WILL ONLY ACCEPT BUSINESS CHECKS OR MONEY ORDERS.

The State Fire Marshal's Office will issue a replacement permit upon receipt of a written request accompanied by a fee of \$20.00.

If you have any questions or require more information, please contact the State Fire Marshal's office at (505) 476-0082 or (800) 244-6702.
