Re: 2020 Annual Reports

Dear Motor Carrier:

Pursuant to Rule 18.3.7.8 NMAC of the New Mexico Public Regulation Commission's ("NMPRC's") Motor Transportation Rules, every motor carrier in the State, excluding Ambulance Services, shall prepare and file a report of its operations every year. Motor Carriers shall file the annual report on or before March 31st for the immediately preceding calendar year. The annual report must be completed on the form prescribed by the Director of Transportation.

Rule 18.3.7.8 (C) NMAC permits the Commission to penalize a motor carrier that fails to prepare and file an annual report:

The Commission may assess fines or may suspend or revoke the operating authority of a motor carrier for failure to file an annual report by the applicable filing deadline. Failure to timely file an annual report will create a presumption that the motor carrier holding the operating authority has failed to render continuous and adequate service.

Accordingly, **the Transportation Division Staff will petition the NMPRC to revoke the operating authority of any motor carrier that fails to submit their annual report.** A blank copy of the 2020 annual report is enclosed. To avoid possible fines or revocation of your operating authority, you must return the completed annual report to the Transportation Division by March 31 of each calendar year. **The Form must be fully completed or it will be rejected.**

This letter also serves as a notification that the PRC Transportation Division staff will no longer be mailing out the annual report. You may contact the Transportation Division at 505-490-0489 to request an annual report emailed to you or, the report can be downloaded on the PRC's website, <http://nmprc.state.nm.us/transportation/information-for-motor-carriers.html>

If you have any questions, please feel free to call the NMPRC Transportation Division at (505) 490-0489.

Sincerely,
