June 15, 2016

Dear Pipeline System Operator:

New Mexico Law (§70-3-2 NMSA 1978) requires that "... each operator of a pipeline or pipelines operated in the State of New Mexico for the transportation of crude oil, natural gas or the products derived there from shall, during the month of July, obtain a license for the operation of such pipeline ...". The fee, as prescribed in §70-3-2 NMSA 1978, applies to both interstate and intrastate pipelines operating in New Mexico. The foregoing provisions of Section 70-3-2 NMSA 1978 shall not apply to gathering lines or systems operated exclusively for the gathering of oil or gas in any field or area; to any gas distribution system; or to pipelines constituting a part of any tank farm, plant facilities of any processing plant, gasoline plant, refinery, carbon-black plant, pressure maintenance, underground storage projects, recycling system or other similar operations and such lines and systems shall not be included in computing the fees payable under the licensing provision of Section 70-3-2 NMSA 1978.

Enclosed please find the application for obtaining an annual pipeline license for Fiscal Year 2017 (July 1, 2016 through June 30, 2017). Please submit your check for the full amount of the calculated fees payable to the New Mexico Public Regulation Commission, along with the signed, dated, and notarized application to:

New Mexico Public Regulation Commission
Pipeline Safety Bureau
PO Box 1269
Santa Fe, New Mexico 87504-1269.

Upon receipt of the complete application and the fee, the PSB will issue a license certificate valid for Fiscal Year 2017. Please designate the payment for "Annual License for FY 2017". Feel free to contact me if you have any questions.

Sincerely,

Jason N. Montoya, P.E.
Pipeline Safety Bureau Chief
